FrogWatch is here!

FrogWatch is your chance to help us understand how our frogs are tracking in South Australia. We need more people to contribute to frog surveys and you don't have to be an expert to take part!

To learn about frogs in your area and how to monitor them, register for one of the FREE workshops across the SA Murray-Darling Basin. Spaces limited, don't miss out!

To register, visit: www.naturalresources.sa.gov.au/samurraydarlingbasin For more information contact Kate Mason 08 85 329100 kate.mason@sa.gov.au
