

NATIVE SEED PRODUCTION WORKSHOPS

PRESENTED BY NEVILLE BONNEY

Native plant expert and published author

29th
September
2016

Meldanda
106 Bundilla Rd
Cambrai SA

WORKSHOP 1:
10AM - 1230 PM

ECONOMIC OPPORTUNITIES OF NATIVE PLANT & SEED PRODUCTION

Learn about commercial opportunities of native seed & plant production in low rainfall areas and find out about the conservation outcomes.

WORKSHOP 2:
1:30PM - 3:30PM

NATIVE GRASS PRODUCTION

See the Murray Mallee LAP mobile community seed bank and Mid Murray Landcare seed production areas. Learn about the benefits of native grass production.

Workshops are **free** and include lunch. Participants are welcome to register for one or both workshops either online or by contacting **Mid Murray Landcare** 8564 6044, mmlandcaresa@internode.on.net or **Murray Mallee LAP** 8531 2066, feofficer@internode.on.net
